Expat Counseling Switzerland

Cancellation Policy // Change Policy

I understand that there are times when you must change or miss an appointment.

However, when you do not inform me that you need to change or cancel an appointment with **a 48 hour notice**, you may be preventing another patient from getting treatment.

Therefore, if an appointment is not canceled or changed at least 48 hours in advance, you will be charged the full session fee of 180 CHF.

This fee will not be paid by your insurance company and must be paid within 5 business days or at the next counseling session whichever comes first.

You may pay the 180 CHF fee via PayPal.
